

## 5M s.r.o. VISION STATEMENT

**We strive to be among the leading and respected global players in the field of composites and sandwiches.**

**Our products are safe and have as little negative environmental impact as possible.**

**Satisfied long term customer, who puts their trust in us, is the greatest reward for our work.**

**We continue to build and improve the company culture. Satisfied employees are an integral part of our success.**

## STRATEGY AND POLICY OF 5M s.r.o.

- ✓ To extend our presence in production of public transportation vehicles.
- ✓ To offer our customers cutting-edge products and solutions to satisfy even the most demanding requirements and expectations, thanks to our own R&D innovations.
  
- ✓ To implement measures related to the Sustainability Policy.
- ✓ To meet our customers expectations in terms of OTD, quality and safety.
- ✓ To increase general productivity as well as effectivity of our processes.
  
- ✓ To communicate and share the company values and improve the company culture.
- ✓ To hold on to occupational safety and health, fire safety as well as environmental protection principles.
- ✓ To support professional and personal development of our employees.
- ✓ To continuously improve work and social conditions of our employees.
